

Fraud, Waste, and Abuse

Camden County Schools

Camden County Administrative Regulation DIE-R describes procedures for reporting suspected fraudulent activity. Procedures for reporting suspected waste or abuse of federal funds are identical to those listed in DIE-R with regard to suspected fraud. Below are definitions of waste and abuse followed by information from the regulation.

DEFINITIONS:

“Waste” means the intentional or unintentional, thoughtless or careless expenditure, consumption, mismanagement, use or squandering of resources owned or operated by the locality to the detriment or potential detriment of the locality. Waste also includes incurring unnecessary costs because of inefficient or ineffective practices, systems, or controls.

“Abuse” means the excessive or improper use of something, or the employment of something in a manner contrary to the natural or legal rules for its use; the intentional destruction, diversion, manipulation, misapplication, maltreatment, or misuse of resources owned or operated by the locality; or extravagant or excessive use so as to abuse one’s position or authority.
